

Visitor Management: Sign-in Locations Must be Modified (S2902)

Last Modified on 01/14/2022 2:02 pm EST

Problem Overview

Visitor Management: Sign-in Locations Must be Modified (S2902)

Detailed Description

For visits scheduled in System Administration, ID CredentialCenter, or Visitor Management, the sign-in location does not exist. When these visits are modified in Host or Front Desk, a sign-in location must be provided.

Applies To

OnGuard 2010 (All versions)

Additional Information

None
