Error Messages that Result From Not Having JavaScript Are Not Localized (DE395)

Last Modified on 01/14/2022 2:16 pm EST

Problem Overview

Error Messages that Result From Not Having JavaScript Are Not Localized (DE395)

Detailed Description

Visitor Management requires that JavaScript be enabled in the browser. When it is not, the error message "This application requires JavaScript. Contact your administrator," will appear not localized.

Applies To

OnGuard 2009 (6.3.249) or later

Additional Information

None
