

# Alarm Filter menu item grayed out in Alarm Monitoring

Last Modified on 12/21/2021 11:14 am EST

## Symptom

The **Alarm Filter** menu item on the **Configure** menu is grayed out in Alarm Monitoring.

## Resolution

The **Alarm Filter** menu item is available when the Main Alarm Monitor window is active. You must click on the Main Alarm Monitor window before you can select the **Alarm Filter** menu item.

## Applies To

OnGuard (All versions)

## Additional Information

None
