Alarm Filter menu item grayed out in Alarm Monitoring

Last Modified on 03/31/2025 10:39 am EDT

Symptom

The **Alarm Filter** menu item on the **Configure** menu is grayed out in Alarm Monitoring.

Resolution

The **Alarm Filter** menu item is available when the Main Alarm Monitor window is active. You must click on the Main Alarm Monitor window before you can select the **Alarm Filter** menu item.

Applies To

OnGuard (All versions)

Additional Information

None
