

# Are Lenel Video Recorder hard drives "Hot Swappable"?

Last Modified on 12/28/2021 11:36 am EST

## Question

Are Lenel Video Recorder hard drives "Hot Swappable"?

## Answer

No they are not "Hot Swappable", for you must power down the unit prior to removing or adding a hard drive. If not, you could cause damage to the hard drive or the unit itself.

## Applies To

IntelligentVideo (All versions); LDVR (All versions); LNVR (All versions)

## Additional Information
