

# NGP What is Unexpected Area on the report at the Central Station?

Last Modified on 01/07/2022 3:31 pm EST

## Question

With NGP, what is Unexpected Area on the report at the Central Station?

## Answer

Unexpected Area is an area that has not been defined at the Central Station. The customer needs to provide the Central Station with the area numbers and their names.

## Applies To

OnGuard (All versions)

## Additional Information
