

# Enable Opening and Closing reports on NGP panels in OnGuard 6.4.500 TU1

Last Modified on 02/02/2022 2:13 pm EST

How do I enable Opening and Closing reports on NGP panels in 6.4.500 TU1?

## Procedure Steps

Use the following SQL query:

```
UPDATE AREA_NGP SET REPORT_MODE = 1 where AREA_NGP.AREAAPBID = X
```

where X is the ID of the area you want to update.

AREAAPBID is listed under dbo.AREA\_NGP.

## Applies To

OnGuard 2010 Technology Update (6.4.500 TU)
