How to find information about LeneIS2 OnGuard Products

Last Modified on 09/05/2024 9:01 am EDT

Procedure Steps

While the Knowledge Base is a great tool for finding solutions and processes not found anywhere else, it is important to know where this information can be found as in many cases this information is spread over different formats. To help you find the information that you are looking for, we have created this guide to make your searches more effective.

Note: The LenelS2 Connect™ portal at <u>connect.lenels2.com</u> requires a login to access.

Log into the LenelS2 Connect[™] Portal

- 1. Navigate to the LenelS2 Connect portal at connect.lenels2.com.
- 2. Enter your Username and Password, and then select Sign In.

Your LenelS2 Connect Dashboard page displays.

Access Support Materials for the OnGuard Ecosystem

- 1. Log into the LenelS2 Connect portal at connect.lenels2.com.
- 2. Select the tile for the support material type you wish to view.

- Downloads
 - Compatibility Charts
 - Compatibility (for cameras; available only when "LenelS2 NVR" is selected as the product or service)
 - Firmware (available only when "LenelS2 Hardware" is selected as the product or service)
 - Specifications
 - Training
 - User Guides
- Communications
 - Product Memos

OnGuard Ecosystem Support Material Locations

Camera compatibility

- 1. Log into the LenelS2 Connect portal at connect.lenels2.com.
- 2. Select the **Downloads** tile.
- 3. On the Downloads page:
 - a. In the Choose Product or Service drop-down, select "LenelS2 NVR".
 - b. In the **Choose Version** drop-down, select a version.
 - c. In the Choose Type of Download drop-down, select "Compatibility".
