

Readers Offline On M2000

Last Modified on 01/11/2022 10:53 am EST

Symptom

Readers on a M2000 are offline and flash red 3 times and beep

Resolution

1. On the M2000, check SW5. Make sure that DIP Switch 1 is ON and all other switches are OFF.

2. Cycle power after the DIP switches are changed.

Applies To

FCWnx
