

SecurePerfectHistory Not Archiving

Last Modified on 01/11/2022 10:56 am EST

Symptom

The SecurePerfectHistory database is not archiving.

Resolution

1. Manually Archive Secure Perfect History database (KB article 3234).
2. Backup Secure Perfect and Secure Perfect Archive databases.
3. Run CreateDB.
4. Restor SecurePerfect and SecurePerfectArchive databases.
5. Relicense.
