

# The number of LNL-1300e devices supported by the LNL-2210 is misleading in Hardware Guide (DE8537)

Last Modified on 01/11/2022 10:26 am EST

## Symptom

The number of LNL-1300e devices supported by the LNL-2210 is misleading in the Hardware Installation Guide.

## Resolution

Correction:

The maximum number of LNL-1300e addressable devices allowed per port:

- 8 for the LNL-2210
  
- 32 for the LNL-2220/3300/3300-M5

## Applies To

Hardware Installation Guide revision 6.016, January 2016

## Additional Information
