

LNL-3300-M5 and LNL-4420 Wireless Lock Compatibility

Last Modified on 04/01/2025 12:11 pm EDT

Product Name

LNL-3300-M5 and LNL-4420 Wireless Lock Compatibility

General Information

The LNL-3300-M5 does support the Assa Abloy Aperio and Schlage wireless lock solutions. The Aperio hubs or Schlage gateways need to be wired to port 3 of the LNL-3300-M5, the RS-485 downstream connection.

The LNL-4420 supports the Assa Abloy Aperio wireless lock solutions.
