

Error: Connection is busy with another HSTMT

Last Modified on 01/11/2022 9:14 am EST

Symptom

Error:

"Connection is busy with another HSTMT"

Displays when attempting to add a device to OnGuard and possibly other functions.

Resolution

1. Open Data Sources (ODBC)
C:\Windows\SysWOW64\odbcad32.exe (for 64 bit systems)
2. Delete the Lenel connection from USER DSN.
3. Configure and Test the ODBC connection in SYSTEM DSN.

Applies To

OnGuard (All versions)
