Where is the OnGuard 8.3 Hardware Guide?

Last Modified on 07/03/2025 10:20 am EDT

Symptom

The Hardware Guide that ships with OnGuard 8.3 lists OnGuard 8.2 in the copyright section.

Resolution

While OnGuard 8.3 release has been successfully tested at UL Solutions with X-Series controllers, testing of the M-Series controllers completed after the release shipped.

To download new and updated Quick Reference sheets:

To download the new and updated Quick Reference sheets, log into LenelS2 Connect, select **Downloads** from the Resources menu or from your Dashboard if you are a first-time user or do not have that option pinned, and then choose:

- **Product or Service**: LenelS2 Hardware
- **Type of Download**: Quick Reference Sheets and Manuals

Download the LNL-M4420, LNL-M2220, LNL-M3300, and LNL-M2210 controller Quick Reference sheets.

Note: Search is case-sensitive in LenelS2 Connect.

To download the updated Hardware Guide (Doc-600):

The updated Hardware Installation Guide, DOC-600 will be available on LenelS2 Connect when selecting **Downloads** and then choose:

- **Product or Service**: OnGuard
- **Version**: OnGuard 8.3
- **Type**: User Guides

Note: Search is case-sensitive in LenelS2 Connect.

Applies To

OnGuard 8.3
